THANK YOU,

Application #10/761,254

To whom it may concern,

On 06/07/07, I sent by certified mail a fee of \$700.00, a copy of the Notice of Allowance and Fee(s) due, also Part B-Fee(s) transmittal (My letter was postmarked 06/07/07).

The U.S. Postal Service attempted to deliver the aforementioned items on 06/11/07 at 10:54 a.m. (Please reference the attached (USPS track & confirmation). According to your policy as long as my letter is postmarked before the due date, which was 06/11/07, it is considered on time.

I received an abandonment letter from your office stating that the aforementioned items were received after the due date. However, my check was never returned.

Somehow, there appears to be a miscommunication. As the aforementioned items should have been received by your office in the allotted time. (Please reference the attached certified mail receipt and USPS track and confirmation attached).

Please note: I have made some corrections on part B Fee(s) Transmittal.

Thank-you,

Charles Griffin Jr.
